7'x16' Caliber DT7162 Dump

The Caliber 7x16 Dump Trailer is built for serious work and designed to handle the toughest jobs with confidence and ease. Constructed with a rugged 8" I-beam main frame, this trailer is built to last and engineered for performance.

Key features include a telescopic lift system for smooth and powerful dumping, 2-foot high sides for increased hauling capacity, and a 7-gauge steel floor that stands up to heavy-duty loads. The frame is finished with a premium 2-part urethane paint, delivering superior corrosion resistance and long-lasting durability.

Equipped with dual 7,000 lb brake axles, 14-ply radial tires, and a 12,000 lb drop-leg jack, this trailer is ready to handle tough terrain and heavy loads with ease. The 2-5/16" adjustable coupler ensures a secure hookup, while the spreader/barn door combo and included ramps offer maximum versatility for unloading and equipment access.

Additional highlights:

XL Front Toolbox ? Store your tools, straps, and battery charger with ease

Integrated Battery Charger ? Keep your power source ready for the job

Spare Tire Mount ? Convenient and prepared for the unexpected

Fully Welded Construction ? Built with precision and strength in every seam

Whether you're hauling rock, debris, equipment, or materials, the Caliber 7x16 Dump Trailer delivers unmatched value, strength, and performance in a professional-grade package.
