7'x24' Caliber EEHI72414 Equipment

The Caliber heavy-duty 7x24 equipment hauler is built to tackle demanding loads with ease. With a 14,000 lb GVWR, tandem 7K brake axles, and a robust 8" I-beam frame, this trailer is engineered for strength, stability, and long-term durability. It features a 12K drop-leg jack, adjustable 2-5/16" coupler, and removable ramps for easy loading. The steel deck is reinforced with stake pockets and a rub rail, while 14-ply radial tires and a spare tire mount keep you road-ready. Finished in a 2-part urethane paint, the EEHI72414 resists rust and wear, making it a reliable choice for contractors, landscapers, and equipment haulers alike.
