ADDITIONAL DETAILS: Weight: 2,300, Axles: 2, Pull Type: Bumper, Construction: Steel

7'x24' Caliber CF724 Flatbed Car Hauler

The Caliber CF724 equipment trailer is built for anyone who needs a rugged, dependable workhorse that can handle serious workloads without breaking a sweat. Engineered with a high-grade steel frame and wrapped in a tough, weather-resistant two-part urethane finish, this trailer is designed to take a beating on the jobsite and still look professional. It gives you plenty of room to haul heavy machinery or bulk materials across its spacious 24-foot deck, while the dual axles provide incredible stability and load capacity when you're out on the highway. Hooking up and unhooking is a breeze thanks to the heavy-duty 2-5/16" coupler and 12K drop-leg jack. Plus, with smart, practical details like stake pockets, tie-downs, and options for toolboxes or slide-in ramps, it's highly versatile and incredibly low-maintenance. Ultimately, it's the kind of reliable, no-nonsense trailer that cuts down on downtime and just gets the job done mile after mile, load after load.
