### 7'x20' Caliber WG720 Utility

The Caliber Utility Trailer is built for durability and efficiency, offering a reliable solution for hauling materials with ease. Whether you're transporting equipment, vehicles, or bulk items, this trailer is designed to withstand tough tasks and ensure smooth transportation for both work and play.

**Key Features:**

Heavy-duty steel frame for maximum strength and durability

All-steel floor for added toughness and resistance to wear

Heavy-duty axles with a load capacity of 3,500 lbs per axle, designed to handle heavy-duty loads with ease

High-quality powder-coat finish for long-lasting protection against rust and corrosion

Spring-assisted ramp for easy loading and unloading

Brake system for improved safety and control

LED lighting for enhanced visibility and road safety

Adjustable coupler for versatile towing options

Tie-down points for secure load transportation

Easily accessible toolbox for convenient storage of essential tools

Spare tire mount to ensure you're always prepared for the road ahead

Designed to handle everything from construction equipment to recreational vehicles, this utility trailer provides unmatched reliability and performance on the road.
