8' 6"x21' EZ Loader 102RT 16-20 3100 Boat

The EZ Loader 102RT 16-20 3100 Boat Trailer is designed to provide unparalleled convenience, durability, and security for your boat. This heavy-duty trailer is ideal for those who demand high performance and dependability during their water adventures. Whether you're transporting a small to mid-sized boat or need a reliable trailer for frequent launches, the 102RT 16-20 3100 is built to handle it all with ease.

Key Features:

Versatile Length Range: Adjustable to fit boats ranging from 16 to 20 feet, offering flexibility to accommodate a variety of boat types.

High Weight Capacity: With a 3100 lb weight capacity, this trailer can safely transport a wide range of boat sizes and types.

Galvanized Steel Frame: Built with a rust-resistant, galvanized steel frame for maximum strength and longevity, even in harsh environments.

Fully Submersible LED Lights: Equipped with LED lights that are fully submersible, ensuring reliable visibility even when launching or retrieving your boat in the water.

Torsion Axles: Features torsion axles for smoother towing and enhanced durability on both paved and off-road surfaces.

Low-Profile Design: The low-profile design allows for easy loading and unloading, with a low center of gravity to improve stability...
