83"x12' Quality Steel & Aluminum 8312D12K Dump

The Quality Steel and Aluminum 8312D12K Dump Trailer is built tough to handle demanding jobs, making it the perfect choice for contractors, landscapers, and homeowners who need reliable hauling power. With a spacious 83" x 12" bed, this trailer is engineered to move heavy loads of gravel, dirt, mulch, or debris with ease. Its 12,000 lb GVWR ensures you can tackle large projects confidently, while the hydraulic dump system delivers smooth and efficient unloading every time.

Designed for durability and convenience, this dump trailer comes equipped with two heavy-duty axles with brakes, a scissor lift hoist, and a rugged steel frame that guarantees long-lasting performance. The rear barn doors with spreader function add versatility for controlled dumping or easy loading access. Standard features include a 2-5/16" adjustable coupler, integrated tarp kit mounts, and a deep toolbox for battery and pump storage.

With its combination of strength, functionality, and smart design, the 8312D12K is a dependable trailer that works as hard as you do.
