74"x12' Quality Steel & Aluminum 7412AN3.5KSA Utility

The Quality Steel and Aluminum 7412AN3.5KSA utility trailer is built for durability, performance, and versatility?perfect for hauling everything from equipment to recreational gear. Designed with a rugged steel frame and lightweight aluminum construction, this trailer delivers the strength you need without the extra weight, making it easier to tow and more fuel efficient.

This model comes equipped with a single 3,500 lb axle, offering reliable load capacity for everyday use. The treated wood deck provides long-lasting durability, while the square tube top rail ensures added strength and protection for your cargo. A 4? rear ramp gate makes loading and unloading simple, while the safety chains and sealed wiring harness give you peace of mind on every haul.

Other features include:

2? A-frame coupler for secure hitching

2K jack for easy trailer connection and support

LED lighting for enhanced visibility and safety

Radial tires for a smoother, longer-lasting ride

Durable powder-coated finish to resist rust and wear

Whether you're hauling tools, ATVs, or general cargo, the 7412AN3.5KSA utility trailer delivers dependable performance and long-lasting quality.
