83"x12' Lamar DL831227 Dump

The Lamar DL831227 is a robust and versatile low-profile dump trailer, built to handle tough jobs with ease. Designed for both homeowners and commercial use, it boasts a 14,000-pound Gross Vehicle Weight Rating (GVWR) and a payload capacity of approximately 9,755 pounds. This 83-inch by 12-foot trailer features a heavy-duty 8-inch, 13-pound I-beam frame and a solid 7-gauge steel floor, ensuring durability and stability when hauling heavy loads like rock, dirt, or construction debris. It comes equipped with a reliable hydraulic scissor lift for smooth dumping, a two-way spreader/barn door gate for flexible unloading, and a deluxe tarp kit to secure your cargo. Other standard features include a 10K drop-leg jack, slide-in ramps, a 5-amp trickle charger, and LED lights, all supported by a durable powder-coated finish and a fully sealed, weather-resistant wire harness.
