### 7'x14' Rock Solid Cargo 7 x 14 TA Concession

This trailer features a sleek and durable exterior with .080 exterior siding, providing a smooth finish with semi-screwless seams for a clean look. The ATP front and rear corners and headers add extra protection and a polished appearance. Enhanced ventilation is provided by 2-way aluminum sidewall vents, ensuring optimal airflow.

Features a striking Black Out Package, highlighted by all black trim and sleek black ATP fenders. It boasts a black stone guard and V-nose for a unified aesthetic, complemented by black ATP stepwells on 8.5' wide models. The look is completed with black barlocks, aluminum wheels with black inlay, and black aluminum side vents, creating a bold and cohesive appearance.

This trailer comes equipped with Rock Solid Cargo's Electric Package, giving you dependable power and lighting wherever you need it. The setup includes two 110V receptacles for tools or equipment, one interior switch for easy light control, two 2' flat panel LED 110V lights for bright and efficient illumination, and a 60 amp power box with lifeline for safe and reliable power management. Built for work, travel, or recreation, this trailer is ready to handle any task with confidence.

This heavy-duty enclosed trailer is built with a robust 4" steel tube main frame and features 16" on-center spacing throughout its roof bows, floor cross members, and sidewalls for superior strength. It includes a durable 5/8" plywood floor and 3/8" plywood walls, along with a Therma Cool ceiling liner for climate control. Access is convenient through a 36" side door with a flush lock, illuminated by a 12-volt LED dome light. It rides smoothly on 3500 lbs. drop leaf spring axles equipped with electric brakes on both axles and E-Z Lube hubs, all on silver mod wheels with aluminum fenders. Additional features include a 2 5/16" coupler, 24" stone guard, a streamlined V-nose design, and full LED lighting. It connects easily with a 7-way Bargman plug.
