### 60"x10' Lamar UC601013 Utility

The Lamar UC601013 Utility Trailer is engineered for reliability, versatility, and everyday performance. Built with Lamar's signature heavy-duty construction, this compact yet powerful utility trailer is designed to handle everything from landscaping equipment and ATVs to home-improvement materials and light commercial loads. Featuring a durable steel frame, premium powder-coat finish, and robust suspension, the UC601013 delivers long-lasting strength and a smooth towing experience. A spacious deck provides ample room for securing cargo, while integrated tie-downs and thoughtful design details make loading and unloading efficient and safe. Whether you're a homeowner, hobbyist, or professional, the Lamar UC601013 offers the perfect balance of strength, functionality, and value—making it a dependable choice for hauling needs of all kinds.
