83"x16' Lamar UC831623 Utility

The Lamar UC831623 utility trailer is built tough and ready for work. Designed with durability, functionality, and convenience in mind, this trailer is perfect for hauling equipment, tools, materials, and more?whether you're on the job site or taking on weekend projects. Built on a 4" channel frame with 24" center-to-center crossmembers, this trailer provides exceptional strength and long-term reliability. The treated yellow pine floor ensures a solid, slip-resistant surface that stands up to heavy use and harsh weather. This model comes equipped with 3.5K EZ Lube idler spring axles and 6-ply radial tires, giving you smooth towing and dependable performance mile after mile. The 2" 10K Demco adjustable cast coupler and 2K top-wind flip jack make hookup simple and secure, while the wrap tongue design adds extra rigidity for heavy loads. The 4' spring-assisted lay-down gate makes loading and unloading easy, and round diamond plate fenders offer protection and style. With standard stake pockets, you'll have flexibility to add side extensions or tie-down points as needed. Every Lamar utility trailer comes with an all-LED lighting package for maximum visibility and safety, plus a spare tire mount for added convenience.

Standard Features:

83' x 16' deck (approx.)

3.5K EZ Lube idler spring axles

6-ply radial tires
