83"x16' Lamar DL831627 Dump

The Lamar Trailer Model DL831627 is a heavy-duty 16-foot steel dump trailer designed for rugged worksite hauling and dumping tasks. Built with a robust 14,000 lbs GVWR and dual 7,000 lbs axles, it offers a substantial 9,135 lbs payload capacity while maintaining a manageable empty weight around 4,865 lbs. The trailer features a durable power coated steel frame, LED lighting, slide-in ramps, and a two-way spreader gate for versatile loading and unloading. Its dump bed is ideal for transporting and discharging bulk materials like gravel, mulch, or debris. This includes accessories like mesh tarp kit with pull bar and tie-down D-rings.
