### 102"x32' Lamar H8023227 Equipment

The Lamar Model H8023227 Gooseneck is a heavy-duty equipment trailer built for demanding hauling tasks, featuring Lamar's robust 8" channel main frame and tandem axle configuration that delivers strong load-carrying capability and long-lasting durability. Its gooseneck design includes a 2-5/16" adjustable coupler rated up to 30,000 lbs for secure towing, and dual 10,000 lb drop-leg jacks for stable support when disconnected. The trailer deck is finished with treated wood and supported by closely spaced crossmembers, while heavy-duty slide-in ramps make loading and unloading machinery straight forward. Standard features like tool box with gas-cock lid, DOT-approved LED lighting, weather resistant wiring.
