ADDITIONAL DETAILS: Weight: 2,300, Axles: 2, Pull Type: Bumper, Construction: Steel

7'x24' Caliber CF724 Utility

The Caliber equipment trailer is engineered to handle demanding workloads with rugged durability and precision performance. Built with Caliber's signature quality, this heavy-duty trailer is ideal for contractors, landscapers, and anyone needing a reliable hauling solution for heavy equipment, materials, or large loads.

Key Features:

Robust Construction: Designed on a strong frame with high-grade steel, the CF724 delivers maximum strength and longevity.

Spacious Deck: With a 24-foot bed, this trailer provides ample room for transporting everything from machinery to bulk materials.

Heavy-Duty Axles: Equipped with dual 7,000 lb axles (or model-specific configuration), the CF724 offers a superior load capacity without compromising stability or control.

Enhanced Coupler & Jack System: Comes standard with a 2-5/16" coupler and a 12K drop-leg jack for secure towing and easy hitching/unhitching.

Professional-Grade Finish: Urethane 2-part paint ensures a long-lasting, weather-resistant finish that stands up to tough jobsite conditions.

Functional Design: Options may include toolboxes, slide-in ramps, stake pockets, or tie-down points for increased versatility and convenience...
