7'x16' Rock Solid Cargo 7 X 16 TA Enclosed Cargo

This trailer features a sleek and durable exterior with .080 exterior siding, providing a smooth finish with semi-screwless seams for a clean look. The ATP front and rear corners and headers add extra protection and a polished appearance.

We've partnered directly with the manufacturer to help them clear out specific inventory, and the savings are being passed directly to you. These trailers are arriving at our Clearwater lot with one goal: to move fast. The Deal: Pricing has been 'blown out' far below standard retail.

The Stock: These units feature different specifications than our signature 5wtrailers line, allowing us to offer them at a price point we rarely see.

The Catch: Once they're gone, they're gone. These are not part of our standard year-round inventory.
