62"x10' Quality Steel & Aluminum 6210ALSL3.5KSA Utility

The Quality Steel and Aluminum 6210ALSL3.5KSA is a lightweight yet rugged utility trailer designed for everyday hauling. Built with an all-aluminum frame, this trailer delivers long-lasting durability while keeping the weight down for easier towing and improved fuel efficiency. Whether you're transporting ATVs, lawn equipment, or materials for a jobsite, this trailer is built to handle the work.

Key Features:

Single 3,500 lb axle for reliable hauling capacity

Aluminum frame construction for strength without unnecessary weight

Durable treated wood deck for long-lasting performance

Open sides for easy loading and unloading

Rear ramp gate for convenient equipment loading

LED lighting for safer travel on the road
