This trailer comes equipped with Rock Solid Cargo's Electric Package, giving you dependable power and lighting wherever you need it. The setup includes two 110V receptacles for tools or equipment, one interior switch for easy light control, two 2' flat panel LED 110V lights for bright and efficient illumination, and a 60 amp power box with lifeline for safe and reliable power management. Built for work, travel, or recreation, this trailer is ready to handle any task with confidence.

This trailer features a sleek and durable exterior with .080 exterior siding, providing a smooth finish with semi-screwless seams for a clean look. The ATP front and rear corners and headers add extra protection and a polished appearance. Enhanced ventilation is provided by 2-way aluminum sidewall vents, ensuring optimal airflow.
