74"x10' Quality Steel & Aluminum 7410ALSL3.5KSA Utility

The Quality Steel and Aluminum 7410ALSL3.5KSA is built to handle your everyday hauling needs with strength, durability, and ease of use. Designed with a lightweight aluminum frame that resists rust and corrosion, this trailer is not only tough but also easy to maneuver and tow. Whether you're hauling landscaping equipment, ATVs, or general cargo, this trailer offers dependable performance trip after trip.

Key Features:

7' x 4' deck size for versatile hauling space

3,500 lb axle with spring suspension for smooth towing

Aluminum construction for rust resistance and lighter towing weight

Tube top rail for added strength and cargo security

2" A-frame coupler with a tongue jack for quick and easy hitching

LED lighting package for enhanced visibility and safety on the road
