7'x20' Caliber EEHI72014 Equipment

The Caliber heavy-duty equipment trailer is designed for serious haulers who demand strength, stability, and reliability. Built on a rugged 8" I-beam main frame, this trailer delivers unmatched performance whether you're transporting machinery, vehicles, or bulky loads. With a 14,000 lb GVWR, dual 7,000 lb brake axles, and heavy-duty 14-ply tires, the EEHI72014 is ready for the toughest loads. The 20' deck (including a 2' dovetail) offers generous loading space, while the rear stand-up ramps make equipment loading effortless and secure.

This model also features a 2-5/16" adjustable coupler, a 12K drop-leg jack for stability, an XL front toolbox for extra storage, and a durable 2-part urethane paint finish that ensures lasting protection against the elements.
