8.5'x24' Rock Solid Cargo 8.5 X 24 TA Enclosed Cargo

This trailer features a sleek and durable exterior with .080 exterior siding, providing a smooth finish with semi-screwless seams for a clean look. The ATP front and rear corners and headers add extra protection and a polished appearance. Enhanced ventilation is provided by 2-way aluminum sidewall vents, ensuring optimal airflow.

Features a striking Black Out Package, highlighted by all black trim and sleek black ATP fenders. It boasts a black stone guard and V-nose for a unified aesthetic, complemented by black ATP stepwells on 8.5' wide models. The look is completed with black barlocks, aluminum wheels with black inlay, and black aluminum side vents, creating a bold and cohesive appearance.

This trailer comes with an integrated Rear Spoiler with a Light Package, powered by a 12-volt battery with a dedicated box. The interior is brightly lit by four 48" 12-volt slim LED lights controlled by a wall switch. For exterior illumination, it features two 13" 12-volt LED flood lights on the spoiler and two additional 13" 12-volt LED flood lights on the passenger side.

This heavy-duty enclosed trailer is built to last with a robust 6" steel tube main frame and 16" on-center spacing for the roof bows, floor cross members, and sidewalls, ensuring superior structural integrity. It features a durable 5/8" plywood floor and 3/8" plywood walls, plus a Therma Cool ceiling liner for climate management. Access is easy via a 36" side door with a flush lock and an ATP covered stepwell, illuminated by a 12-volt LED dome light. For secure transport, it includes electric brakes on both axles, a 7-way Bargman plug, and E-Z Lube hubs on its silver mod wheels. The V-nose design, 24" stone guard, and aluminum fenders add to its functionality and protection. Inside, you'll find 4 floor mount D-rings to secure your cargo, and a no-show beavertail for smooth loading. All lighting is LED for reliability.
