**Make:** Lamar

**Model:** FA022427

**Color:** LAMAR GRAY

**Width:** 102" **Length:** 24'

**GVWR:** 14K

**ADDITIONAL DETAILS:** Weight: 5,600, Axles: 2, Pull Type: Bumper, Construction: Steel, Features: Dual Jacks, Spare Tire

### 102"x24' Lamar FA022427 Tilt

The Lamar FA022427 is a heavy-duty workhorse designed for those who need serious hauling capacity without the hassle of ramps. It's a 24-foot deckover tilt trailer, which means you get a full 102-inch wide deck that sits above the wheels, giving you plenty of room for wide equipment. This specific model is built for heavy loads, boasting a 14000 lb GVWR riding on dual 7,000 lb axles. Its standout feature is the hydraulic power tilt system—you can raise and lower the entire deck with the push of a button, making loading and unloading incredibly fast and safe. Built on a rugged I-beam frame with a durable charcoal powder coat finish, it typically comes equipped with dual jacks and ample toolbox storage, making it a reliable, efficient choice for commercial contractors.
