### 102"x20' Lamar H6022027 Equipment

The Lamar Model H6022027 is a robust 14K Equipment Hauler designed for serious hauling, boasting a Gross Vehicle Weight Rating (GVWR) of 14,000 pounds and a payload capacity of over 10,000 pounds. This heavy-duty trailer typically measures 102 inches wide by 20 feet long and is built on a durable 6-inch channel frame with 16-inch on-center crossmembers and a treated yellow pine floor. Standard features often include tandem 7,000 lb axles with electric brakes, drive-over fenders for maximum loading width, a 10K drop-leg jack, and a pair of stand-up or slide-in ramps, ensuring reliable and secure transport of equipment.

2 - 7K Spring Axles w/ electric brakes

Slide in ramps

Drive Over Fenders

Rub Rail
