ADDITIONAL DETAILS: Weight: 1,580, Axles: 2, Pull Type: Bumper, Construction: Aluminum

82"x16' Quality Steel & Aluminum 8216ALSL7K Utility

The Quality Steel and Aluminum 8216ALSL7K Utility Trailer is engineered for serious hauling with a lightweight yet rugged all-aluminum frame. This 82" x 16" trailer boasts a 7,000 lb GVWR, making it perfect for transporting heavy equipment, building materials, or recreational vehicles.

Built for convenience, it features a 7K square jack for easy and stable hitching, as well as a durable treated wood deck that stands up to tough jobs. The removable ATV ramps provide smooth loading and unloading, whether you're hauling ATVs, mowers, or small machinery. Dual 3,500 lb axles with electric brakes ensure safe and controlled towing, while stake pockets, tie-down points, and LED lighting add flexibility and safety on the road. Backed by Quality Steel and Aluminum's reputation for dependability, the 8216ALSL7K delivers the strength, versatility, and performance you need in a utility trailer.
