Make: Quality Steel & Aluminum

Model: 8318ALEH10K

Color: ALUMINUM

Width: 83" **Length:** 18'

GVWR: 9850

ADDITIONAL DETAILS: Weight: 1,890, Axles: 2, Pull Type: Bumper, Construction: Aluminum

83"x18' Quality Steel & Aluminum 8318ALEH10K Equipment

The Quality Steel & Aluminum Utility Trailer ? Model 8218ALEH10K is engineered for maximum strength, capacity, and performance. With a spacious 8' x 18' deck, this heavy-duty trailer is built to handle equipment, vehicles, construction materials, and other demanding loads with confidence.

Built on a rugged steel frame with lightweight aluminum components, it offers superior durability and corrosion resistance without unnecessary weight. The 10,000 lb tandem axle setup provides outstanding load capacity, smooth towing, and enhanced road stability. A heavy-duty rear ramp gate makes loading and unloading equipment fast and efficient.

Key Features:

8' x 18' deck size

10,000 lb tandem axle capacity

Reinforced steel frame with aluminum components

Lightweight, corrosion-resistant construction

Heavy-duty rear ramp gate

Ideal for contractors, equipment transport, and commercial use

When you need serious hauling capability and long-lasting reliability, the 8218ALEH10K is built to get the job done.
