Year: 2026

Make: Quality Steel & Aluminum

Model: 8322ALEH10K

Color: ALUMINUM

Width: 83" **Length:** 22'

GVWR: 9850

ADDITIONAL DETAILS: Weight: 2,220, Axles: 2, Pull Type: Bumper, Construction: Aluminum

83"x22' Quality Steel & Aluminum 8322ALEH10K Equipment

The Quality Steel & Aluminum Utility Trailer ? Model 8322ALEH10K is built for maximum hauling capacity and heavy-duty performance. Featuring a large 8' x 22' deck, this trailer provides the space and strength needed for transporting vehicles, heavy equipment, construction materials, and more.

Constructed with a rugged steel frame and lightweight aluminum components, it delivers exceptional durability and corrosion resistance while maintaining efficient towability. The 10,000 lb tandem axle setup ensures superior load support, smooth handling, and added stability on the road. A heavy-duty rear ramp gate allows for easy loading and unloading of equipment.

Key Features:

8' x 22' deck size

10,000 lb tandem axle capacity

Reinforced steel frame with aluminum components

Lightweight, corrosion-resistant construction

Heavy-duty rear ramp gate

Ideal for commercial use, contractors, and equipment hauling

When your work demands extra space and serious strength, the 8322ALEH10K is ready to perform.
