**Width:** 102" **Length:** 25'

**GVWR:** 20K

**ADDITIONAL DETAILS:** Weight: 5,845, Axles: 2, Pull Type: Gooseneck, Construction: Steel

### 102"x25' Lamar FD02252A Equipment

The Lamar FD02252A is a heavy-duty, 102" x 25' deckover trailer designed for serious hauling, whether you're moving heavy machinery or industrial materials. Built on a rugged 12", 19lb I-beam frame with 16" on-center crossmembers, this trailer is engineered for durability and structural integrity. It features dual 10,000 lb Dexter EZ-Lube oil bath axles, providing a robust 20,000 lb GVWR and roughly 14,000 lbs of payload capacity to handle your toughest loads.

This model is equipped with a 5' dovetail and spring-assisted Rhino Ramps, making the loading and unloading of equipment safer and more efficient with a full-width platform. For ease of use, it includes dual 10,000 lb drop-leg jacks and a front locking toolbox to keep your gear secure. Finished with a premium Lamar gray powder coat for long-lasting weather resistance and featuring treated yellow pine flooring, this trailer is a reliable, high-performance solution for professional hotshotters and contractors alike.
