

83"x22' Lamar Equipment

\$7,269

Stock #: 11756

VIN: 5RVBH2222TP154304

Category: Equipment

Cond.: New

Year: 2026

Make: Lamar

Model: H6832227

Color: LAMAR GRAY

Width: 83" **Length:** 22'

GVWR: 14K

ADDITIONAL DETAILS: Weight: 3,080, Axles: 2, Pull Type: Bumper, Construction: Steel

83"x22' Lamar H6832227 Equipment

When you need to move heavy machinery like skid steers or tractors, the Lamar H6832227 is a heavy-duty beast that actually makes the job feel manageable. Built on a beefy 6" channel frame with 16" on-center crossmembers, this 14k hauler is stiff and stable enough to handle 7-ton loads without breaking a sweat. The 4' dovetail paired with those heavy-duty stand up ramps makes loading low-clearance equipment a breeze, and the removable diamond plate fenders are a huge plus when you need that extra bit of side room.

It's clear this trailer was designed for people who actually use their gear every day. Between the adjustable Demco coupler for a perfect tow height and the combination of a rub rail, stake pockets, and D-rings, you'll never struggle to find a solid tie-down point. Finished with a durable treated yellow pine floor and a rock-solid wrap tongue, it's a professional-grade rig that's as reliable as the equipment you're putting on it.
