83"x16' Lamar CE831623 Carhauler

CE832223 The Lamar CE832223 car hauler trailer is built tough and ready for whatever you need to move?from cars and trucks to equipment and materials. Designed for long-lasting performance and ease of use, this trailer combines strength, convenience, and versatility into one reliable package. With its 5" channel frame, wrap tongue, and treated yellow pine floor, the CE832223 provides a solid foundation for hauling with confidence. Dual 3.5K EZ Lube electric brake spring axles deliver a smooth ride and dependable braking, while the 2' dovetail and pair of slide-in ramps make loading and unloading fast and hassle-free. This model also features removable round diamond plate teardrop fenders for easy vehicle door clearance, plus standard stake pockets and a rub rail for flexible tie-down options. Built with 24" center-to-center crossmembers, this trailer offers excellent structural support for heavy-duty use. Additional highlights include a 2" 10K Demco adjustable cast coupler, 2K top-wind flip jack, spare tire mount, and four weld-on D-rings for secure cargo tie-downs.
