

59"x10' Lamar Tilt

\$4,653

Stock #: 11835

VIN: 5RVBS1016TP155283

Category: Tilt

Cond.: New

Year: 2026

Make: Lamar

Model: SH591017

Color: LAMAR GRAY

Width: 59" **Length:** 10'

GVWR: 7K

ADDITIONAL DETAILS: Weight: 1,565, Axles: 1, Pull Type: Bumper, Construction: Steel, Features: Full Steel Floor, Solid Sides, Spare Mount, Spare Tire, Tongue Box

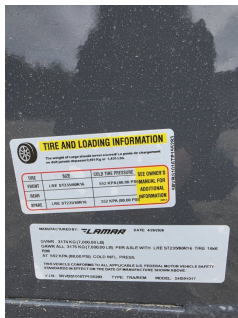

59"x10' Lamar SH591017 Tilt

SH591017

The Lamar Trailer Model SH591017 is part of the Lamar's scissor/tilt equipment hauler lineup, designed to make loading and unloading machinery easier without the need for separate ramps. In this configuration you'll find a 59 inch wide by 10 foot long tilt deck built on a robust steel frame and featuring a full length gravity tilt system that lowers the deck to the ground for smooth, drive-on access. These trailers are at 7,000 lb GVWR (gross vehicle weight rating) with a single torsion EZ lube axle with electric brakes, giving you substantial hauling capacity around 5,500 lb. Standard features include heavy duty 7k drop-leg jack, adjustable coupler, multiple tiedown points and D-rings. And a power-coat finish with LED lighting and a weather-resistant harness—all intended to provide dependable performance for transporting compact equipment, lawn tractors, skid steer attachments, and similar loads behind a bumper-pull tow vehicle.
