8' 6"x36' Rock Solid Cargo 8.5 x 36 TTA Enclosed Cargo

This trailer features a sleek and durable exterior with .080 exterior siding, providing a smooth finish with semi-screwless seams for a clean look. The ATP front and rear corners and headers add extra protection and a polished appearance. Enhanced ventilation is provided by 2-way aluminum sidewall vents, ensuring optimal airflow.

This heavy-duty Rock Solid Cargo enclosed trailer features an 8.5' x 36' triple-axle setup (TTA) wrapped in a sleek, .080 black exterior with an extra 6 inches of interior height. Engineered for maximum towing stability and capacity, it boasts three 7,000 lb torsion axles with electric brakes, a spread axle configuration outfitted with ATP Corvette fenders, a 21K coupler, a 60" extended triple tube tongue, and 10" bogey wheels. The interior is built for structural durability and heavy cargo with 16" on-center roof bows, a Therma Cool ceiling, and a total of eight floor-mounted D-rings with steel backers. Access and ventilation are highly customizable, featuring two 54" x 48" escape doors, an aluminum pair of 2-way sidewall vents (replacing the standard roof vent), along with distinct visual upgrades like ATP front corners, rear corners, and a header, silver mod wheels, and dual LED tail lights.
