### 102"x28' MAXX D 102' X 28 DULLAY Equipment

This 2019 MAXX-D 102" x 28' gooseneck is a heavy-duty workhorse designed for serious hauling, featuring a robust 22,500 GVWR that makes it ideal for moving heavy equipment or large loads. It sits on a solid dual-tandem axle setup with dual wheels, providing the stability and weight distribution needed for highway travel. The deck-over-gooseneck design is a standout feature, offering valuable extra square footage for hauling tools, spare tires, or smaller attachments that you want to keep off the main bed
