**Year:** 2026

**Make:** Lamar

**Model:** FA022427

**Color:** LAMAR GRAY

**Width:** 102" **Length:** 24'

**GVWR:** 14K

ADDITIONAL DETAILS: Axles: 2, Pull Type: Bumper, Construction: Steel, Wood, Features: Dual Jacks, Spare Tire, Tongue Box, Winch Plate

102"x24' Lamar FA022427 Tilt

The Lamar FA022437 is a heavy-duty workhorse designed for those who need serious hauling capacity without the hassle of ramps. It's a 24-foot deckover tilt trailer, which means you get a full 102-inch wide deck that sits above the wheels, giving you plenty of room for wide equipment like tractors, skid steers, or scissor lifts. This specific model is built for heavy loads, boasting a 14,000 lb GVWR riding on DUAL 7,000 lb axles. Its standout feature is the hydraulic power tilt system—you can raise and lower the entire deck with the push of a button, making loading and unloading incredibly fast and safe. Built on a rugged I-beam frame with a durable charcoal powder coat finish, it typically comes equipped with dual jacks and ample toolbox storage, making it a reliable, efficient choice for commercial contractors.
